

# PARKING®

## Applications:

Compressed air and compressor manufacturers, Largescale garages, Over- and underground workings, Petrol stations, Quarry, Shipyards, Steel and iron industry

## Flow medium:

Compressed air, Pressurized air

## Label:

6 blue stripes on black cover

## Standard / Approval:

NFT 47252 B

## Description:

- **Inner lining:** SBR, black, non-porous, smooth
- **Reinforcements:** Synthetic fibres
- **Cover:** SBR-EPDM, black, smooth, abrasion resistant, resistant to ozone, weather and UV
- **Working pressure up to:** 20 bar / 290 psi
- **Temperature range:** from -20 °C / -4 °F up to +65 °C / +149 °F
- **Further properties:**
  - Release agent- and fat free, free from product harmful to lacquer
  - Suitable for hot water for a short time up to +80°C / +176°F

## Technical data:
